!

If you have a question about a product, please [reach out](#) to us before placing your order.

If you received a defective or damaged product, please [contact us](#) within 30 days and we'd be happy to arrange a refund or exchange. !

!

Purchasing reference guides

Before placing an order for a reference guide, please be sure you are ordering the correct guide. Our [LEED rating systems section](#) provides information on the various LEED rating systems and their reference guides. If you received an incorrect reference guide, [email us](#) and we'll work to resolve the situation.
